

Familiarize yourself with the fishing rules in the "Orienteringsfolder med fiskereglar 2024" folder, which is attached below.

The fishing license is valid for fishing in Vårdalen, Visdalen and Leir- and Bøverdalen state public lands, with the exception of the lakes Tesse, Dågåtjern and Smådalsvatna, as well as the river Smådøla below Nåvårseter bridge.

Children under the age of 16 have a statutory right to free fishing with a pole during the time fishing is legal. Lom fjellstyre has expanded this right and decided that everyone can fish for free with a pole in the public domain until the year they turn 20.

Foreigners are only allowed to fish with a rod or a hand line. Fishing with nets/fixed gear is permitted for all residents in Norway only.
